Back to School Night
Tuesday, September 12, 2023

We invite families to an in-person Back to School Night at Baxter Academy. Come meet your student's teachers, special educators, and school leaders. You can experience a shortened version of your student's schedule and meet with each of your student's educators. Please access your student's schedule through Power School- https://baxter-academy.org/powerschool is a helpful link, if you need assistance. In the event that you are unable to join us in-person, we invite you to contact your student's teacher to schedule a time for a zoom meeting.
